Batch Transfer									
Results <input type="button" value="CSV"/> <input type="button" value="Print"/> <input type="button" value="Reset"/> <input type="button" value="Show Field Chooser"/>									
<i>Note: Click on a heading label to sort the data.</i>									
Drag a column header here to group by that column									
Action	Unit ID	Facility Name	Fuel Type	Loc of Generator	Month of Generation	Certificate Serial Numbers	Qty	REC Create	

Click the white box under “Add Batch” for the SREC(s) you would like to transfer. If you are transferring all of the SRECs, you can click the top white box and all SRECs will be selected. Be sure to check the Month of Generation on each SREC before transferring and notice that they are not always in order. Once you have selected the SRECs you would like to transfer, the total number of SRECs will be indicated next to “Total Quantity” above on the left. Click the “Batch

Transfer” button directly to the right of Total Quantity. You will receive a pop-up window, Transfer Selected SRECs, Click OK.

The screenshot shows the pjm EIS Environmental Information Services interface. At the top left is the logo for pjm EIS Environmental Information Services. Below the logo is a link for 'My Account'. A navigation bar contains 'Batch Transfer' and 'Active' tabs. Below the navigation bar, there is a 'Total Quantity: 0' label, a 'Batch Transfer' button, a 'Reset' button, and a 'View: All RECs' dropdown menu. A green arrow points to the 'Batch Transfer' button. Below this is a table with columns: Action, AddBatch, Status, Unit ID, Facility Name, and Fuel. The table contains four rows, each with a 'Transfer' link, an 'AddBatch' checkbox, 'CEPS' status, a 'Unit ID' field, a 'Facility Name' field, and 'Solar Photovoltaic' fuel type.

Action ↑↓	AddBatch <input type="checkbox"/> ↑↓	Status ↑↓	Unit ID ↑ ↓	Facility Name ↑↓	Fuel
Transfer	<input type="checkbox"/>	CEPS			Solar Photovoltaic
Transfer	<input type="checkbox"/>	CEPS			Solar Photovoltaic
Transfer	<input type="checkbox"/>	CEPS			Solar Photovoltaic
Transfer	<input type="checkbox"/>	CEPS			Solar Photovoltaic

If all the SRECs are sold and being transferred at the same price, enter this price **without** a dollar sign (\$), in Default Price and click “Go”. That price will be entered for all SRECs.

If you are transferring SRECs at different prices, input the correct price in “Price Per Certificate” for the proper SRECs. Keep in mind to look at Month of Generation, NOT, Month of Creation.

Please do NOT click the Back button on your browser during any time of the transfer. You will be returned to the previous screen when

Default Price:

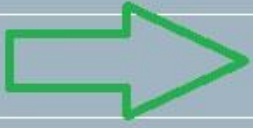

Certificate Serial Numbers	Quantity	Transfer Quantity	Price per Certificate	Status	Facility Name	Fuel Type
<input type="text"/>	3	3	<input type="text"/>	CEPS	<input type="text"/>	Solar - Ph
<input type="text"/>	1	1	<input type="text"/>	CEPS	<input type="text"/>	Solar - Ph

Flett Exchange, LLC (*)

Transfer Type:

Once all SRECs have a price entered, go to Select an Account Holder. If you have transferred to us before, Flett Exchange LLC (*) will be the first name on the list. If it is your first time transferring to us, open the drop down menu. Do Not scroll down the list. First, press "F" on your keyboard. This will short cut you to the F's in the large list. Then scroll down and select Flett Exchange LLC. First time transfers will not have a (*)

Then select "Spot Market" for Transfer Type.

Scroll down to the bottom of the page and click "Submit"
